Purpose For Information

Issue with SVAA Calendar 2018/19

What is happening?

Further to Circular [EL02794](#), the 2018/19 SVAA Calendar was distributed in the D0286 (Data Aggregation and Settlements Timetable) File with an incorrect date range. A corrected D0286 file has been distributed to all Data Aggregators (DA).

How will I be impacted?

The file is a replacement for the original file issued in MDD Version 267. The replacement file should be used going forward. Once processed, Data Aggregators should have visibility of all scheduled Volume Allocation Runs (VAR) for 2018/19.

Is there anything else I need to know?

No, for more information, please contact bscservicedesk@cgi.com.
